

Tickets to Kayville are now on sale at the high school. Manager George Whipple has secured rates of 45 cents a round trip for the students of the high school. Students are to leave at 5:30 o'clock and return either at 10:08 or 12:08 o'clock. Principal Miller of the Davis high school has wired that he will reserve the south side of the gymnasium for the O. H. S. rosters so that they may be guaranteed a seat. Last week, when the Tigers journeyed to Brigham, no place had been left in the entire hall for the Ogden rosters, and bearing this, it has led Principal Miller to reserve a place for O. H. S. There will be a dance in the hall following the game.

The Kiwanis club has made an offer of \$10 and \$5 respectively for the first and second best essays written on the Constitution. Prizes of the same amount have also been offered for the two best declamations on the same subject. Essays must be handed in before February 1. The declamation contest will be held February 22.

Sometime during the month of February, a declamation contest will also be held under the auspices of the Daughters of the American Revolution. The contestants may choose for topic any patriotic or historical subject. Prizes offered are: \$25 for the first place, \$15 for second and \$10 for third best. These contests will be open to all high school students.

Seniors of the O. H. S. are making preparations for their graduation. Class pins and rings are now being ordered, and commencement and calling cards are being thought of. More seniors will graduate this year than last, and they hope to make their commencement exercises some that will not soon be forgotten.

The T.N.T. club still takes the lead in everything about school. At present they are gaining credit by helping advertise the game with lavas tomorrow. They are also selling tickets for the annual classical, which this year will take place under their supervision.

A total of about 1075 students have registered for the second semester. During the past week or more, new students have enrolled. Almost all of these are boys.

"Dad" Beeson, mathematics teacher at the O. H. S., has been absent from school during the past week, due to illness. Mr. Mellinger is taking his place, and assisting in this department.

Lockers, ordered sometime ago by the school board, have arrived and will be put in the hallways in the near future. It is great news to the majority of the students to hear that at last they can have some way of protecting their personal property. It is a relief to the faculty, also, that the students need not any longer be complaining of lost books, coats, hats, etc.

A schedule has been drawn up for the selection of rifle teams in the R. O. T. C. Each company is allotted a day on which they may use the range. The company commanders will test each man, by the actual firing of two scores in the standing, kneeling, sitting and prone positions. Their scores will be recorded and the best shots selected for the battalion teams. The battalion teams will compete, and a regimental team will be selected on February 7. This system gives every member of the R. O. T. C. a chance to qualify, although the first year men are not eligible by reason of not taking rifle marksmanship in the first year course.

### TRY TO FIND LEAK IN CITY WATER MAIN

Efforts to locate a leak in one of the water mains at Twenty-fourth street and Hudson are being made by city employees. The drilling in the ground at this section was started Wednesday and will be continued until the officials are able to determine just where the large volume of water, that is daily entering the basement of the Fred J. Kiesel building, is coming from.

Members of the fire department were engaged in pumping the water from the basement today. The water was pumped out at a rate of 3,000 gallons per hour.

For the past three months, water has been pumped from the basement, at the rate of 1,000 gallons per hour, 24 hours a day.

City officials believe that there is a break in one of the water mains near that corner.

### U. P. PRESIDENT ON WAY TO COAST

President Carl E. Gray of the Union Pacific system accompanied by J. L. Hough, his secretary, were Ogden visitors Wednesday afternoon en route from Omaha to Los Angeles.

On arrival in Los Angeles, President Gray will confer with E. E. Calvin, vice president in charge of operation and H. M. Adams, vice president in charge of traffic.

On the return trip to Omaha, these men will stop in Ogden for a brief conference with local officials, it was announced at railroad headquarters today.

### HER FILM CHILDREN HER OWN CHILDREN

One of the unusual features of the William Fox production of "Over the Hill," which is playing at the Ogden theatre all this week, is the fact that the actress who enacted the role of Ma Benton actually has four of her own children playing the parts of her film brood. Ma Benton is portrayed by Mrs. Mary Carr, for years one of the most popular actresses on the American stage. Her children in real life are Isaac, Thomas, John, Charles, Rebecca and Susan. Her children in real life are Stephen, Rosemary, May Beth and Louella. The latter has already achieved a unique screen reputation, while Stephen, the youngest, is only four.—Advertiser.

\$55.75 Los Angeles and return February 4, Union Pacific System. Special train from Salt Lake. Limit April 1. W. H. Chevers, general agent, 214 Eccles Building, Ogden, Utah. 3168

## Wright's

A GOOD PLACE TO TRADE

## A Two Day Sale

This Dollar Sale begins tomorrow morning and will continue until Saturday night at 6 p. m.

# 2 Days Only Dollar Day 2 Days Only

## New Stock, Good Service And Splendid Bargains

Some one has said that good merchandising consists of giving the public good goods—reasonable prices and good service—And that is the policy of this store at all times.

In these dollar sales, however, we might add that while the merchandise is fresh and desirable—the service just as good as usual, the prices are very unusual.

There will be crowds of buyers here tomorrow and Saturday—that we are sure, but even a great crowd can shop in this great store in comfort.

The wide aisles, the spacious rooms, the courteous attention of the sales people make shopping here a pleasure even on these occasions when the sales are most largely attended.

Come tomorrow and Saturday—see how much good merchandise a dollar will buy.
